

S series

The Waterstar S Series Saunas feature glass panel fronts, and are available with ceramic heaters only. Each comes ready-to-assemble; the pre-constructed sides, base, and top just snap together - assembly takes approximately 20 minutes.

The S Series Saunas heat up in around 10 minutes, and will reach about 60° over room temperature (up to 140°).

These saunas have a very low operating cost as they use the same energy as a toaster. They are very economical to use.

All S Series Saunas Include:

- ▶ CD/FM/AM Stereo
- ▶ Oxygen Ionizer
- ▶ Reading Light
- ▶ Exterior Lighting
- ▶ Tempered Glass Door / Windows
- ▶ User Controlled Ventilation

And can optionally be equipped with:

- ▶ Color Light Therapy Kit
